

# Salmon Bay School

## All School Directory Information Form

Friends of Salmon Bay (FOSB) funds the production of a family directory each year. This year, directory information will be pulled from the school's database. This reduces the amount of writing you need to do on this form but increases the importance of making sure the information on your student's white data sheet (stapled to the cover of their first day packet envelope) is complete and accurate. **We only need one directory form per family, regardless of the number of students you have at Salmon Bay.**
