

## Volunteering At Salmon Bay

Volunteers are critical to the success of Salmon Bay School. When you donate your time and talents, we are able to enrich learning experiences for our students, improve the adult to child ratios in classrooms, support experiential learning opportunities, and fund the needs of our community.

**Volunteer Paperwork:** To become a volunteer, individuals are required to watch an online sexual misconduct prevention video and have a current background check on file. There are additional requirements for drivers and overnight chaperones. If you submitted a complete volunteer packet last school year, you do not need to fill one out this year. All other volunteers must submit a complete volunteer packet prior to volunteering. Packets available in the front office and on the school's website.

**Volunteer Interest Survey:** We are committed to matching people with volunteer opportunities that are a good fit for their talents and interests. Please help us by completing this updated form, even if you've filled out similar forms in previous years. Indicate if a particular volunteer opportunity interests Parent/Guardian ① or ② by checking the appropriate number next to each activity. PLEASE PRINT CLEARLY to make life a little easier for our data entry folks.

Parent/Guardian Name ①: \_\_\_\_\_

Email: \_\_\_\_\_

Parent/Guardian Name ②: \_\_\_\_\_
