

#### 4<sup>th</sup> Grade Student Personal Supplies

Please **label these items** with your child's name before sending them to school. These supplies should be brought in on the first day of school (or to Meet & Greet in Marian's). Students will be using some of these things right away on the first day of school.

- 3-ring binder (1 ½" or 2"—not too big)
- One package of 5 dividers
- 4 stitch-bound, wide ruled "composition notebooks" (*not* spiral bound, *not* perforated tear-out pages)
- 5 different colored folders with pockets
- Water bottle with a secure lid –At school daily, but taken home for a weekly wash
- An inexpensive USB Flash Drive
- A book at your just-right reading level. (Or choose one on the first day of school.)
- Sketchpad **optional**, for students who enjoy drawing so they can keep artwork organized

#### 4<sup>th</sup> Grade Community Supplies

Please have each student bring in the following supplies **to share** with the community. In order to reduce a divisive climate that occurs when some supplies are exclusive or only shared with some students but not all, the supplies below will be identified and shared as community supplies so **should not be labeled with student names**. If a child brings any of the following supplies but wants to keep them to him/herself, we will ask the student to take them home.

**All students** please provide for the community:

- One package of pencils (we prefer Ticonderoga)
- 2-3 erasers (white plastic or vinyl erasers are best)
- 1-2 Boxes of Tissues
- Plus:

**Only students with first names starting with A-L, please provide for the community:**

- 2-3 packages of sticky notes (any sizes, colors, with or without lines)
- 1 package dry erase markers (colored or not)
- 1 package fine tip colored sharpies/permanent markers
- 1 bag of pretzels or crackers

**Only students with first names starting with L-Z, please provide for the community:**

- 1 package white 3-5 index cards WITH LINES
- 1 fine tip and 1 extra fine tip black sharpie/permanent markers
- 1 package of colored non-permanent markers
- 1 package glue sticks

If purchasing school supplies is a financial burden for your family, please let us know as supply scholarships are available.
